- Tables can be booked for groups up to 6.
- Hand sanitiser is compulsory for all guests on arrival.
- We have introduced table service and our tables have been well spaced to restrict the number of visitors and to ensure social distancing is maintained.
- Cutlery and condiments will be brought to your table.
- Please arrive during the allotted time slots to allow us time to deep clean in between sessions.
- If you need to cancel a booking for any reason please have the courtesy to call us in advance (even if last minute).
- If we have any free tables on the day they will be made available to book at short notice (any last minute availability will be communicated on a chalk board outside).

We look forward to welcoming you back.
